**I. INTRODUCTION**

**A. TITLE**

The National Dance Council of America, Inc., a non-profit educational organization, hereinafter referred to as the "Council" or the "NDCA", is the Governing Council of NDCA sanctioned events. Its purpose is to provide, on a nation-wide basis, a united inter-association agency to represent the interests of those in the dance profession and other dance-related entities and organizations and to act as the agency for cooperation with similar councils in other countries. To also conduct a continuing campaign for the establishment and the maintenance of high standards in dance education, and to acquaint the public with the nature and benefits of these standards and to recognize the status of qualified dance teachers affiliated to member organizations of this Council.

**B. OBJECTS AND AIMS**

Among the objects and aims included in the NDCA Constitution are:

1. To provide on a nation-wide basis a united inter-association agency to represent the legitimate interests of the Dance Profession as a whole.
2. To act as the agency for cooperation with similar Councils.
3. To conduct a continuing campaign for the establishment and maintenance of high standards in Dance Education and to acquaint the public with the nature and benefits of these standards.

**C. NDCA NOTICES**

1. The words 'National Dance Council of America, Inc.' or 'Council' or NDCA may not be used in any advertising copy or in any form of promotion without the express written consent of the NDCA. Violators shall assume full legal responsibility.
2. Whereas the Federal Government has no program for licensing, qualifying and certifying dance teachers at this time, the NDCA reserves the right as the governing body in the U.S.A. to require that organizers applying for registration of their competitive events must be a bona fide member in good standing of a Member Organization of the NDCA.
3. The Rules and Regulations enumerated herein are designed to assist and protect the interests of all individuals who are involved in competitive Ballroom Dancing Events... the competitors, organizers, judges, and officials. Should any points arise which are not covered in these Rules, they should be brought to the attention of the NDCA Ballroom Director.
4. NDCA REGISTRANTS
  - a. Dancers registering with NDCA for the purpose of participating in NDCA sanctioned competitions and championships ARE NOT PERMITTED under any circumstances to advertise this registration in any forum, be it print, e-mail or web site listing.
  - b. Registration with NDCA may not be used to imply a personal or studio sanction by NDCA, and use of the name 'National Dance Council of America', the letters 'NDCA' or any NDCA trademark is specifically prohibited. The term 'Member of the NDCA' is also prohibited; registrants are not members of the NDCA.
  - c. Dance teachers registered in the 'Certified Dance Teacher' category may advertise their registration in the following manner "Registered with the National Dance Council of America as a certified dance teacher".
5. The definition of the word "organizer/s" used throughout these rules and regulations herein includes owners, investors, business partners, organizers, and/or any person involved in the administrative team

of any and all NDCA sanctioned Championships, Competitions, and Local One-Day Events. It is in no way limited to the actual organizer/s as such of any NDCA events as listed above.

#### **D. FUNCTION OF THE BALLROOM DEPARTMENT**

One of the means by which the Council furthers its objectives is through the Ballroom Department. One of the functions of the Ballroom Department is the overseeing of Ballroom Dance Competitions, and the granting of recognition and Championship Titles to events that fulfill the high standards set by the Council.

#### **E. WORKING SUB-COMMITTEES**

The Ballroom Director is empowered to form, from time to time, working Sub-Committees to carry out the following administrative tasks:

1. Formulation of Competition Rules, and other Rules and Regulations.
2. Recognition of Competitions and Championships.
3. Registration of Professional Competitors, Judges, and Scrutineers.
4. Selection of U.S. Professional Representatives to International Events.
5. Disciplinary Proceeding and Reinstatements.
6. Syllabi Matters.
7. Scrutineer Examinations.

#### **F. APPLICATION OF COMPETITION RULES**

The rules enumerated herein governing the conduct of either American Style or International Style NDCA sanctioned Competitions and Championships shall apply to competitors, judges, scrutineers, teachers, and other NDCA registered officials and organizers who participate in NDCA sanctioned events. Points that arise which are not covered in these rules, shall be referred to the Ballroom Department whose decision shall be final. Amendments to the Rule Book may be considered at any Ballroom Department meeting, and shall take effect upon publication.

#### **G. NDCA & RECOGNIZED PROFESSIONAL ORGANIZATIONS - JUDGES/SCRUTINEERS**

Judges, Scrutineers and other officials, to include but not limited to MC's, Music Directors, Registrars, Competition Organizers, etc, who choose to register with the NDCA are not permitted to officiate at or organize any Championship, Multi-Day Competition, or Local One-Day Event that is not sanctioned by the NDCA or other recognized organizations. This restriction applies even when a Competition or Championship is held outside of the U.S.A. Therefore, organizers contemplating holding competitions or Championships outside the U.S.A. are reminded that these events must still be duly sanctioned by the NDCA, or other recognized professional organization/s accepted or approved by the NDCA.

1. It is within the province of the Ballroom Department to investigate and rule upon violations of this rule. Offenders may be subject to a \$500 fine, a six month suspension, or have their registration with NDCA cancelled (with no refund). EXCEPTIONS AS FOLLOWS:
  - a. Closed Competitions or Championships organized and run by Member Organizations. Full Member Organizations are permitted to run their own closed competitions and championships. A closed event is defined as one at which the organization responsible for it's function only accepts entries from it's own dues paying members and their respective students.
    - (1) Promotion and advertising may be extended only to specific individuals who are dues paying members of the organization. Dues paying members are defined as individuals who have chosen to pay a membership fee to the organization specifically for the intent of belonging to the organization. Payment to the organization for other intents, such as purchasing merchandise or other services, does not qualify an individual to be considered a dues paying member.
    - (2) Individuals and organizations who are associated with the Full Member Organization in lesser ways, such as being on customer or interested parties lists, are not considered to be dues

paying members. These individuals and/or organizations may not be included in the promotion and/or advertising for the closed competition or championship.

- (3) Promotion and advertising may not be disseminated in any general way, such as on non-organization specific websites or in mailings that may be viewed widely by individuals who are not considered dues paying members of the organization. Closed events may be advertised on the member organizations' name specific website, but the home page must clearly show that the event is open ONLY to its' members and is not open to the general public at large.

- (4) New members should not be allowed to join the organization at the competition/championship specifically to enter the event.

- (5) Only Full Member organizations are permitted to run their own closed events, and all funds and or profit must go directly to the member organization.

- b. Professional Dancers Federation annual event. The Professional Dancers Federation will be allowed to run one single annual PDF competition that will be organized by the PDF as a closed PDF competition. **X. RULES FOR AMATEUR COMPETITORS**

The rules in this section refer to amateur partnerships (one amateur dancer partnered by another amateur dancer).

**A. AGE CATEGORY CLASSIFICATIONS**

1. Age classifications, "a" through "f", will become effective on the individual's actual birthday. On a year where a competitor is going to move from one classification to the next they may make this change anytime during a 60-day period that begins 30 days prior to their birthday and ends 30 days following their birthday.
  - a. Pre-Teen I: 9th birthday or less
  - b. Pre-Teen II: 10th or 11th birthday
  - c. Junior I: 12th or 13th birthday
  - d. Junior II: 14th or 15th birthday
  - e. Youth: 16th, 17th or 18th birthday
  - f. Adult: 19th birthday or greater
    - (1) Senior I: 35th birthday or greater
    - (2) Senior II: 45th birthday or greater
    - (3) Senior III: 55th birthday or greater
2. Organizers may combine age classifications as follows:
  - a. Pre-Teen I and Pre-Teen II into a single Pre-Teen classification.
  - b. Junior I and Junior II into a single Junior classification.
  - c. Senior I, Senior II, and Senior III into a single Senior classification.
  - d. Organizers may combine classifications not listed above by obtaining written permission from the Ballroom Director.
3. Organizers may offer additional age category competitions, such as "Under 21", etc.
4. Competitors may dance "up" or "down" as follows:
  - a. Pre-Teen I competitors may dance up one age classification to "Pre-Teen II".
  - b. Pre-Teen II competitors may dance up one age classification to "Junior I".
    - (1) Pre-teen II competitors who dance up to junior must remain in the approved pre-teen costumes. This rule applies to the individual, not to the couple - if only one member of the partnership is a bonafide Junior age competitor then only that individual may wear a "Junior" costume.
  - c. Junior I competitors may dance up one age classification to "Junior II".
  - d. Junior II competitors may dance up one age classification to "Youth".
  - e. Youth competitors may dance up to the Adult classification.
  - f. When an organizer combines age classifications (Pre-Teen I & II, Junior I & II or Senior I, II & III) competitors may dance up or down as follows:
    - (1) Only Pre-Teen II age category competitors may dance up into the combined Junior age category.
    - (2) Combined Juniors may dance up into the combined Youth age category.
    - (3) Combined Seniors may dance down into the adult age category.
5. The following rules apply to competitors age 18 and under:
  - a. For Youth, Junior I and Junior II partnerships, one of the individuals may be no more than two age classifications younger.
  - b. If one of the individuals in the partnership is two age classifications younger, then the younger member of the partnership must request permission in writing from the NDCA Ballroom Department and in turn receive written approval prior to being allowed to compete. (example - a "Pre-Teen II" girl wishing to compete with a "Junior II" age boy)
    - (1) If written permission is given for the individual to dance up two age classifications, then that person may not return again to dance in the original younger age classification that they "gave up".

- c. If one of the individuals in the partnership is one age classification younger, then the younger member of the partnership may request permission in writing from the NDCA Ballroom Department to relinquish their age classification and be allowed to move up one age classification. This request will generally be allowed only if the individual making the request is already within one year of reaching the next age classification.
  - d. Under no circumstance will a Pre-Teen I, Pre-Teen II, or a Junior I competitor be allowed to compete in the Adult age classification.
  - e. A Junior II competitor may not apply for permission to dance up as an Adult until they are 15 years old, at which time they would need to apply to the Ballroom Department as noted above.
  - f. Youth competitors turning 19 years of age in the calendar year may still dance as youths until they have graduated from "High School".
6. A couple's age classification eligibility is defined as the age of the older partner for the Pre-Teen I, Pre-Teen II, Junior I, Junior II, Youth and Adult classifications, while it is defined as the age of the younger partner for the Senior classifications.

4. The eligibility to compete in a classification is applied to individual amateur competitors and not the couple as an entity.
5. An amateur couple is only eligible to compete in a classification if both members of the couple are eligible.
6. An amateur competitor's eligibility is based on his/her accomplishments regardless of the number or length of partnerships they have had.

8. An amateur competitor may enter at most two consecutive proficiency classifications in any particular style and age group at a particular competition.

2. **DANCES:** In Classic Showdance events the dances must be selected from one up to all of the five regular Ballroom dances, and in the South American Showdance events from one up to all of the five regular Latin competition dances. Elements from other dances may be used to enrich and complete the choreography but the A-Note for technical merit will be based on the quality of the chosen competition dances.

  - a. For use of other sound carriers such as DAT, MINI Disk, Reel-to-Reel and records, the organizer must be contacted will in advance of a competition, to check which of the sound systems can be provided.

The DanceSport Executive Board must approve all invigilators for International Showdance Competitions and Mr Svein Rotvold is the Chairman of the invigilators. To assist the invigilator a video man equipped with a camera, video screen and a video with slow and still picture must be provided.

9. THE COMPETITION: Conditions including lighting must be the same for all couples throughout the show including entrance and exit. Preceding every Showdance competition, or those where Showdance is involved, there must be an official rehearsal, where all the couples have a reasonable time to test their show on the actual floor where the competition is taking place. For the rehearsal to music the sound engineer of the competition must be present and helpful. To attend the rehearsal is an obligation for all couples, the chairman of adjudicators, the invigilator and the video man. All shows will be filmed under rehearsal and during the show to be used only as information/proof of rule violations. In the case of this, under the rehearsal, the invigilator must give the respective couple notice, so they have a chance to adjust their show for the competition. Violation of the rules in the actual competition leads to direct disqualification. Performances that are against common moral taste or on religious subjects in any other than the original religious idea have to be banned from performing in the competition through the invigilator. The couples will walk onto the floor with the period not to exceed fifteen seconds. At the conclusion of the actual performance, the couples may take their bows, and walk off the floor with a period not to exceed 30 seconds. For the exit the couples can use music. The time length of the exit music is strictly limited to the same 30 seconds. During entrance, performance and exit the couple must be alone on the floor.
10. ORDER OF DANCING: Order of dancing shall be drawn by ballot, at which all the competitors or chosen representatives have a right to be present. In competitions where the show is an additional dance, the order will be drawn in two sections.
  - a. Between the couples being placed 4,5,6 and lower in the preceding five dances.
  - b. Between the couples being placed 1,2,3 in the preceding five dances.
11. MARKING SYSTEM: Two marks will be given for each show throughout the whole competition, and will be based on adjudicating each performing couple individually and not to be judged by comparison:
  - a. Technical Merit - the technical quality of the dancing.
  - b. Artistic Impression
    - (1) Choreography
      - (a) Is it used to express the music to it's fullest extent?
      - (b) Is it using the theme of the music if there is any?
      - (c) Are there clever and musically related ideas used in the choreography?

      - (b) Related to choreography to the particular music.
      - (c) Related to theme ideas (choreographically, performance, choice of dress).
    - (3) Entertainment to the public
  - c. The range of marks must be from 5.0 up to 6.0 as the best mark. Two couples can have the same marking. The two sets of marks will be added together and a placing allocated to each couple from each adjudicator with the highest total receiving first place, etc, i.e.: each adjudicator's combined marks converted into first to sixth place. In the event of a tie on the adjudicator's marking sheet, the better A-Note decides the result. In the case of visual marking, only the A and B-Notes will be shown. In the event of a tie, the Skating System shall be used.

### C. SHOW DANCE COMPETITIONS AT NDCA EVENTS
