C. NDCA NOTICES

1. The words 'National Dance Council of America, Inc.' or 'Council' or NDCA may not be used in any advertising copy or in any form of promotion without the express written consent of the NDCA. Violators shall assume full legal responsibility.
2. Whereas the Federal Government has no program for licensing, qualifying and certifying dance teachers at this time, the NDCA reserves the right as the governing body in the U.S.A. to require that organizers applying for registration of their competitive events must be a bona fide member in good standing of a Member Organization of the NDCA.
3. The Rules and Regulations enumerated herein are designed to assist and protect the interests of all individuals who are involved in competitive Ballroom Dancing Events... the competitors, organizers, adjudicators, and officials. Should any points arise which are not covered in these Rules, they should be brought to the attention of the NDCA Ballroom Director.
4. NDCA REGISTRANTS
 - a. Dancers registering with NDCA for the purpose of participating in NDCA sanctioned competitions and championships ARE NOT PERMITTED under any circumstances to advertise this registration in any forum, be it print, e-mail or web site listing.
 - b. Registration with NDCA may not be used to imply a personal or studio sanction by NDCA, and use of the name 'National Dance Council of America', the letters 'NDCA' or any NDCA trademark is specifically prohibited. The term 'Member of the NDCA' is also prohibited; registrants are not members of the NDCA.
 - c. Dance teachers registered in the 'Certified Dance Teacher' category may advertise their registration in the following manner "Registered with the National Dance Council of America as a certified dance teacher".
5. The definition of the word "organizer/s" used throughout these rules and regulations herein includes owners, investors, business partners, organizers, and/or any person involved in the administrative team

1 of any and all NDCA sanctioned Championships, Competitions, and Local One-Day Events. It is in
2 no way limited to the actual organizer/s as such of any NDCA events as listed above.

- 3 6. The term Champion may only be used in conjunction with a title awarded at a Championship level
4 sanctioned event. Local One-Day Events and Competition level events are not permitted to utilize the
5 term Championship in any form. The term Champion refers only to the winner of a Championship
6 event. The 2nd place couple shall be referred to as the runner-up. The French term, vice-champion, is
7 not permissible in advertising or announcements.

8 9 **D. FUNCTION OF THE BALLROOM DEPARTMENT**

10 One of the means by which the Council furthers its objectives is through the Ballroom Department. One
11 of the functions of the Ballroom Department is the overseeing of Ballroom Dance Competitions, and the
12 granting of recognition and Championship Titles to events that fulfill the high standards set by the
13 Council.

14 15 **E. WORKING SUB-COMMITTEES**

16 The Ballroom Director is empowered to form, from time to time, working Sub-Committees to carry out the
17 following administrative tasks:

- 18
19 1. Formulation of Competition Rules, and other Rules and Regulations.
20 2. Recognition of Competitions and Championships.
21 3. Registration of Professional Competitors, Adjudicators, and Scrutineers.
22 4. Selection of U.S. Professional Representatives to International Events.
23 5. Disciplinary Proceeding and Reinstatements.
24 6. Syllabi Matters.
25 7. Scrutineer Examinations.

26 27 **F. APPLICATION OF COMPETITION RULES**

28 The rules enumerated herein governing the conduct of NDCA sanctioned Events, Competitions and
29 Championships shall apply to Competition Organizers, Competitors, Pro/Am Student Competitors,
30 Teachers, Chairmen of Adjudicators, Adjudicators, Scrutineers, Music Directors, Registrars, Masters of
31 Ceremonies, and all other NDCA licensees who participate in NDCA sanctioned events. Points that arise
32 which are not covered in these rules, shall be referred to the Ballroom Department whose decision shall be
33 final. Amendments to the Rule Book may be considered at any Ballroom Department meeting, and shall
34 take effect upon publication.

35 36 **G. NDCA & RECOGNIZED PROFESSIONAL ORGANIZATIONS - OFFICIALS**

37 Adjudicators, Scrutineers and other officials, to include but not limited to MC's, Music Directors,
38 Registrars, Competition Organizers, etc, who choose to register with the NDCA are not permitted to
39 officiate at or organize any Championship, Multi-Day Competition, or Local One-Day Event that is not
40 sanctioned by the NDCA or any other NDCA recognized organization(s).

- 41
42 1. It is within the province of the Ballroom Department to investigate and rule upon violations of this
43 rule. Offenders may be subject to a \$500 fine, a six month suspension, or have their registration with
44 NDCA cancelled (with no refund). EXCEPTIONS AS FOLLOWS:
45 a. Closed Competitions or Championships organized and run by Member Organizations. Full
46 Member Organizations are permitted to run their own closed competitions and championships. A
47 closed event is defined as one at which the organization responsible for it's function only accepts
48 entries from it's own dues paying members and their respective students.
49 (1) Promotion and advertising may be extended only to specific individuals who are dues paying
50 members of the organization. Dues paying members are defined as individuals who have
51 chosen to pay a membership fee to the organization specifically for the intent of belonging to
52 the organization. Payment to the organization for other intents, such as purchasing

1 merchandise or other services, does not qualify an individual to be considered a dues paying
2 member.

3 (2) Individuals and organizations who are associated with the Full Member Organization in lesser
4 ways, such as being on customer or interested parties lists, are not considered to be dues
5 paying members. These individuals and/or organizations may not be included in the
6 promotion and/or advertising for the closed competition or championship.

7 (3) Promotion and advertising may not be disseminated in any general way, such as on
8 non-organization specific websites or in mailings that may be viewed widely by individuals
9 who are not considered dues paying members of the organization. Closed events may be
10 advertised on the member organizations' name specific website, but the home page must
11 clearly show that the event is open ONLY to its' members and is not open to the general
12 public at large.

13 (4) New members should not be allowed to join the organization at the
14 competition/championship specifically to enter the event.

15 (5) Only Full Member organizations are permitted to run their own closed events, and all funds
16 and or profit must go directly to the member organization.

17 b. Professional Dancers Federation annual event. The Professional Dancers Federation will be
18 allowed to run one single annual PDF competition that will be organized by the PDF as a closed
19 PDF competition. This event must be run as a benefit for the PDF, no individuals may benefit or
20 profit from this event and all funds must be deposited directly into the PDF bank account. This
21 annual event must have the approval of the Board of Governors.

22 c. Events run by educational institutions and their affiliated clubs that receive authorization from the
23 NDCA to use NDCA officials.

24 d. Specialty Dance Competitions, which are dance competitions that are not of the traditional
25 Ballroom Dance genre.

26 e. Special events of particular importance to traditional Ballroom Dance in the USA that do not fall
27 into any of the categories listed above. Application must be made each time a special event of
28 this nature wishes to receive an NDCA exception.

29 f. Studio Showcases & Team Matches.

30 A SHOWCASE is an event where entrants dance either alone or simultaneously. They are NOT
31 scored against each other, but may receive an individual Proficiency score (%), this score may not
32 be transmuted to a relative score. They may also receive critical feedback. A Showcase has only
33 One adjudicator. There is no need for a Scrutineer or any other Official and may not accrue any
34 points, therefore there are no Top Awards. This event may NOT be a part of a series.

35 A TEAM MATCH is an event where entrants are arranged in teams, that dance simultaneously
36 and are scored relative to each other. A Team consist of students and teachers from one school
37 only! A maximum of 5 Teams may participate at an event. A Team Match uses a cumulative point
38 system and awards placement for the entire team at the conclusion of the event. This event may
39 NOT be a part of a series. A Team Match has a maximum of three adjudicators. No other officials
40 are necessary nor allowed.

41 NDCA officials may not officiate in any way at studio showcases or team matches unless all of
42 the following are strictly adhered to:

43 (1) The event is organized by a dance studio that is a traditional business (brick & mortar) who
44 serves their customers in a building that is used for instruction of their students, unless
45 approved by the Ballroom Department.

46 (2) The only promotions for this event take place within the confines of the dance studio, social
47 media pages, or on the studio website.

48 (3) No more than four dance studios may participate in any one event, and all dance studios
49 involved must be traditional businesses (brick & mortar) as defined above.

50 (4) Additionally, any of the following would remove a showcase or team match from what would
51 be considered acceptable to the NDCA, which would then subject any NDCA licensed
52 officials to the penalties delineated under NDCA rule I.G.1.:

53 (a) A stand-alone website promoting the event

- (b) Blanket or open invitations to participate with no associated studios
- (c) Development of a "series" or "circuit" of any kind
- (d) Accumulation of points of any kind for students or instructors that would carry to another event
- (e) Awards determined and/or presented for "Top Student" or "Top Teacher"
- (f) Holding of Single Dance or Multi-Dance Competitions in any age categories
- (g) Holding the event further than twenty-five miles from the studio location
- (h) Including more than four studios in any one event

H. RESOLUTION OF CONFLICTS WITH NDCA

The following statement must appear on the NDCA Registration Form and the Competition Organizer's Annual Application: "In the event of a dispute with the NDCA, it's rules or decisions, any member organization (or agent or representative of any member organization), any registrant, competitor, or other person who agrees to be bound by these rules, agrees that any dispute, controversy or claim which cannot be amicably resolved through the avenues of appeal made available within the Council, shall be submitted to binding arbitration before a single arbitrator under the Commercial Arbitration Rules of the American Arbitration Association at a location selected by the Council."

II. DEFINITIONS

A. CLASSIFICATION OF DANCERS

1. **PROFESSIONAL:** A Professional Dancer is one who is any or all of the following (anyone studying for or taking a theory exam will not be deemed a professional unless they declare themselves such as defined below):
 - a. Registered as a Professional with the NDCA.
 - b. One who partners a Pro/Am Student Competitor or Registered Amateur in Pro/Am Competitions.
 - c. Any person who declares himself or herself a Professional by word or deed (Examples: serving as a hired Partner, or participating in Professional Competitions or Team Matches).

The classification of a competitor should be determined as of the closing date for entries for any sanctioned event.
2. **AMATEUR:**
 - a. **AMATEUR:** An amateur competitor competes with an amateur partner. An amateur dancer may become a professional in the following manner:
 - (1) By the declaration of such
 - (2) By competing against other professionals in an NDCA sanctioned Open Professional or Rising Star event

- e. A Pro/Am Student Competitor is permitted to enter Ballroom dance "Pro/Am Scholarship Events" which offer monetary prizes. In this case, any prize money awarded belongs to the Pro./Am Student Competitor, not to the professional, and the Pro/Am Student Competitor may decide how it is to be used.
- f. Pro/Am Student Competitors who are found to be in violation of any of the above definitions, will not be permitted to continue to compete in NDCA sanctioned competitions or championships, and the organizers of all NDCA sanctioned competitions and championships will be so notified. Should the Pro/Am Student Competitor cease the activity that violated the above definitions, his or her right to compete as a Pro/Am Student Competitor in NDCA sanctioned competitions and championships may be restored upon application to the NDCA. A waiting period may or may not be required when such reinstatements are made.

4. MIXED AMATEUR

 - (1) Both members of Mixed Amateur partnerships must be registered as Amateur Competitors with the NDCA.

5. STUDENT/STUDENT

- a. The term "Student/Student" refers to a Pro/Am Student Competitor partnering another Pro/Am Student Competitor in heats which are danced simultaneously with Pro/Am events at NDCA sanctioned competitions and championships.
- b. Student/Student events are an accommodation for Pro/Am Student Competitors, and are open only to one adult Pro/Am Student Competitor partnering with another adult Pro/Am Student Competitor - both of whom must comply with the requirements as stated in the definition of a Pro/Am Student Competitor. Student/Student events are not open to amateur dancers who compete in Amateur Competitions and/or Championships at the "Open Amateur" proficiency level as defined in section X. RULES FOR AMATEUR COMPETITORS.

6. DEFINITION OF A COUPLE

- a. A couple is defined in the traditional Ballroom Genre and in all dance genres included in championships, competitions, and events sanctioned by the National Dance Council of America, Inc. as a leader and follower without regard to the sex or gender of the dancer. This rule applies to all classifications of dancers, professional, amateur, pro/am student competitors, student/student, and mixed amateur.

 42 judged in the absolute discretion of the Ballroom Department Committee, and based on the first,
 43 second, fourth, and seventh criteria or factors (listed below) all favoring sanction, the Ballroom

- 12 committee, to administer the finances of the given competition.
- 13 g. A decision of the Ballroom Department Committee to deny sanction may be appealed by the
- 14 Organizer(s) of the competition to the Executive Committee of the council. Such an appeal shall
- 15 be made by written notice from the Organizer(s) to the Ballroom Director, which notice must set

 50

51 **A. AGE CATEGORY CLASSIFICATIONS**

- 52 1. Age classifications, "a" through "f", will become effective on the individual's actual birthday. On a
 53 year where a competitor is going to move from one classification to the next they may make this

- 1 change anytime during a 60-day period that begins 30 days prior to their birthday and ends 30 days
 2 following their birthday.
- 3 a. Pre-Teen I: 9 years old or younger
 - 4 b. Pre-Teen II: 10th or 11th birthday

- 19 2. Organizers may combine age classifications as follows:
- 20 a. Pre-Teen I and Pre-Teen II into a single Pre-Teen classification.
 - 21 b. Junior I and Junior II into a single Junior classification.
 - 22 c. Senior I, Senior II, and Senior III into a single Senior classification.
 - 23 d. Organizers may combine classifications not listed above by obtaining written permission from the
 24 Ballroom Director.
- 25 3. Organizers may offer additional age category competitions, such as "Under 21", etc.
- 26 4. Competitors may dance "up" or "down" as follows:
- 27 a. Pre-Teen I competitors may dance up one age classification to "Pre-Teen II".
 - 28 b. Pre-Teen II competitors may dance up one age classification to "Junior I".
 - 29 (1) Pre-teen II competitors who dance up to junior must remain in the approved pre-teen
 30 costumes. This rule applies to the individual, not to the couple - if only one member of the
 31 partnership is a bonafide Junior age competitor then only that individual may wear a "Junior"
 32 costume.

 37 III) competitors may dance up or down as follows:
 - 38 (1) Only Pre-Teen II age category competitors may dance up into the combined Junior age
 39 category.
 - 40 (2) Combined Juniors may dance up into the combined Youth age category.
 - 41 (3) Combined Seniors may dance down into the adult age category.
 - 42 g. A competitor may not be approved during an event to relinquish one age category after competing
 43 in that division, and then dance up an additional age category from their newly approved division.
- 44 5. The following rules apply to competitors age 18 and under:
- 45 a. For Youth, Junior I and Junior II partnerships, one of the individuals may be no more than two
 46 age classifications younger.
 - 47 b. If one of the individuals in the partnership is two age classifications younger, then the younger
 48 member of the partnership must request permission in writing from the NDCA Ballroom
 49 Department and in turn receive written approval prior to being allowed to compete. (example - a
 50 "Pre-Teen II" girl wishing to compete with a "Junior II" age boy).
 - 51 c. If one of the individuals in the partnership is one age classification younger, then the younger
 52 member of the partnership may request permission in writing from the NDCA Ballroom
 53 Department to relinquish their age classification and be allowed to move up one age classification.

- 1 This request will generally be allowed if the individual making the request is already within one
 2 year of reaching the next age classification.
 3 d. Under no circumstance will a Pre-Teen I, Pre-Teen II, or a Junior I competitor be allowed to
 4 compete in the Adult age classification.
 5 e. A Junior II competitor may not generally apply for permission to dance up as an Adult until they
 6 are 15 years old, at which time they would need to apply to the Ballroom Department as noted
 7 above.
 8 f. Youth competitors who turn 19 years of age while still enrolled in their final year of High School
 9 may still dance as youths until they have finished their final year.
 10 6. A couple's age classification eligibility is defined as the age of the older partner for the Pre-Teen I,
 11 Pre-Teen II, Junior I, Junior II, Youth and Adult classifications, while it is defined as the age of the
 12 younger partner for the Senior classifications.
 13

14 **B. PROFICIENCY CLASSIFICATIONS**

 24

25 **C. ELIGIBILITY DEFINITIONS**

- 26 1. A competitor is eligible to dance in the “Syllabus”, “Novice” and/or “Pre-Championship” proficiency
 27 classifications until they accumulate three proficiency points. There is no limit to the number of
 28 proficiency points that may be accumulated in the “Open Amateur” level.
 29 2. Proficiency points in one age division do not count or apply in any way towards ineligibility in another
 30 age division.
 31 3. A competitor receives one point when they either a) place first in their current classification when a
 32 quarter-final was danced, or b) dance in the final of a higher proficiency event where a quarter-final
 33 was danced.
 34 4. In the “Syllabus” categories proficiency points should be accumulated independently for each dance.
 35 5. The eligibility to compete in a classification is applied to individual amateur competitors and not the
 36 couple as an entity.
 37 6. An amateur couple is only eligible to compete in a classification if both members of the couple are
 38 eligible.
 39 7. An amateur competitor’s eligibility is based on his/her accomplishments regardless of the number or
 40 length of partnerships they have had.
 41 8. It is the responsibility of all amateur competitors to ensure that they are eligible for the category in
 42 which they desire to dance.
 43 9. An amateur competitor may enter at most two consecutive proficiency classifications in any particular
 44 style and age group at a particular competition.
 45 10. An amateur competitor’s ineligibility begins at the conclusion of the competition in which his/her
 46 third point was acquired. In this case the word “competition” refers to the entire event (generally a
 47 “weekend”).
 48 11. An amateur competitor’s proficiency level as a Pro/Am shall not be used in determining his/her
 49 amateur proficiency level.

30 subsequent round. This can be considered especially if an additional round would be required in order
31 to comply with the desired 50% rule.
- 32 9. In the preliminary rounds adjudicators must call back the required number of formation teams. This
33 will be done by secret ballot, with the complete judging results being released after the competition
34 has concluded.
- 35 10. Secret ballots must be used by the adjudicators for the finals of Pre-Teen and Junior formation
36 competitions. For the finals of Youth and Adult formation competitions the adjudicators may use the
37 open marking system. Again, the complete judging results must be released after the competition has
38 concluded.

40 program, must be clearly shown near the dance floor for the benefit of the adjudicators.
- 41 12. The adjudicators should be positioned at an appropriate distance from each other, and in the front for
42 formation competitions. They may be positioned at either a close or far proximity to the dance floor,
43 or a combination of both. At least some adjudicators should be positioned in an elevated place if at all
44 possible.
- 45 13. The coach(es) of each formation team may stand adjacent to, or on, the floor when their team is

NDCA OFFICIAL INVIGILATION GUIDELINES

WHAT IS INVIGILATION?

- Watching closed syllabus events to ensure all couples are complying with syllabus restrictions and patterns.
- Informing the responsible professional or amateur couple of any observed syllabus infractions (before penalties must be assessed if possible) and suggesting replacement patterns if necessary.
- Informing the Chairman of Judges of infractions.

BEFORE YOU ARRIVE IN THE BALLROOM

1. Familiarize yourself with the NDCA List of Approved Figures, Elements, & Restrictions with the patterns & restrictions at each proficiency level. The list is available at www.NDCA.org.
2. Do not be hesitant or embarrassed to invigilate a dance competition! The step list and restrictions have been carefully chosen to level the competitive playing field; help instructors establish a logical progression through fundamental elements of a dance; and define standards of dance appropriate to each level.
3. Get some sleep! You have to be alert to do the job!

IN THE BALLROOM

1. Bring your reference materials with you, including the NDCA List and any pertinent technique book(s) that you may want to reference.
2. You should get Invigilation forms from the Organizer, Registrar or Chairman just as the Emcee, Music Director and Deck Captain get their paperwork. If you don't get them, ask the Chairman for them.
3. Examine the Invigilation forms carefully so that you know what couples are dancing what levels in any given heat. Remember that heats often contain couples dancing at many different proficiency levels.
4. As you watch the events, it's OK to use all your reference materials. The more you read the list, the more you'll be able to remember the information it contains.
5. Ask questions of the Chairman, the 'Lead Invigilator' or any other trusted source. No one person can remember everything.
6. Note infractions on the Invigilation forms. Use as much detail as possible. You will need to be able to give this information, precisely and concisely, to the competitor and the Chairman.
7. Simple mistakes and/or bad dancing are not an invigilator's concern; these are issues for the judges on the floor to assess as part of placing the couples. Noted infractions must be clear and obvious.
8. Be conscious of and sensitive to floor-craft situations. For example, it is far preferable to see a Top Spin in Bronze International Foxtrot rather than a collision. Watch the couple in another Foxtrot to see if the infraction is repeated.

APPROACHING A COMPETITOR

1. There is no single method that will cover all situations. If the emcee is paging couples/professionals to the stage or to another designated place such as the on deck area make sure you meet them directly. The emcee is usually very busy and on to the next heat. If you are walking around the ballroom to find couples/professionals yourself, take the Invigilation form and the list of allowable elements with you. It is preferable for you to leave the podium and find the professional competitor in order to discuss an infraction. If this is impossible, you may ask the Emcee to page the professional competitor to the podium.
2. Have the Invigilation Form and the List of Allowable Figures, Elements & Restrictions with you when you speak to a competitor so that you can discuss the problems specifically.
3. In all cases, speak to the professional/teacher privately, without students or other professionals near you. This is not an issue for a student to worry about; it is up to the professional/teacher to choose how and when to address the issue with his/her student. It is important not to embarrass the professional/teacher among his/her peers.
4. **NEVER** speak to children directly when invigilating Preteen, Junior or Youth events. Speak only to their coach if he/she is available. If the professional/teacher is not in attendance, speak to the parents. In this case, it is very helpful to write out the infractions for the parents to give to the professional/teacher.

SPEAKING TO A COMPETITOR

1. If you do not know the competitor previously, begin by introducing yourself. Be sure to include that you are the Invigilator for this event, and explain what the invigilator does if the person does not know.
2. Address the issue in a light manner, such as "Just a reminder....in Closed Bronze/Silver/Gold events, X step is not allowed at the level you are dancing."
3. If there are multiple infractions, try to address them all at once, rather than talking to the professional/teacher multiple times.
4. Make a suggestion for replacing the objectionable pattern or timing, if necessary. Most professionals/teachers appreciate an easy solution. For example, if the couple is dancing an Open Hip Twist in Bronze Rumba, suggest they

can still start in Open Facing Position, but dance either an open basic (no swivel) to fan, walks, or go straight into a Natural Top. Sometimes the easiest suggestion is to leave out the disallowed figure.

5. Let them know that repeated infractions might cost them a placement or disqualification in that dance in subsequent events, particularly scholarships.
6. If a competitor asks you a question and you don't know the answer, find out. Don't give an answer just for the sake of giving an answer.
7. Thank the professional/teacher for his/her attention to the matter.
8. If the couple is uncontested, you should still speak to the professional/teacher. This should be a learning opportunity.

IF A COMPETITOR IS BELLIGERENT OR UNHAPPY

1. This is relatively rare, but it does happen. Being polite and respectful in your initial interactions will help defuse many potential "situations." Having said that, competitors will argue with the invigilator using language they would never dream of using to a judge.
2. Remain as calm as possible. Try to explain WHY the step is an infraction.
3. Continue to offer potential solutions, rather than becoming confrontational.
4. If you do not know, ask the Chairman and/or 'Lead Invigilator'.
5. If you are uncomfortable with the interaction, inform the Chairman and have him/her speak to the professional/teacher.

AFTER SPEAKING TO A COMPETITOR

1. Note on the Invigilation form that you have warned the professional by circling the 'Warning Given' to indicate that a warning was given, or the 'Penalty Assessed' to indicate that a penalty was assessed.
2. Make a note to watch the couple in an upcoming heat to see if the infraction has been addressed.
3. Even an attempt to change or modify an infraction should be recognized. Acknowledgement of their effort will make everyone feel better, and may be as simple as a nod to the teacher/professional.

PENALIZING A COMPETITOR

1. You should not immediately *recommend penalties* for competitors without giving them a warning and watching to see if they are trying to remediate the infraction, although NDCA rules do allow this.
2. Tell the Chairman about any infractions that you feel should be penalized. Make sure you have documented the infractions and repeat any conversation you had with the professional/teacher. Also, make sure you have seen the infraction repeated with no attempt to correct it, especially in Scholarship/Championship events. Ask the Chairman, whenever possible, to watch the infraction (especially if you have had an unsatisfactory exchange with the professional/teacher and/or the infraction is egregious and/or the infraction gives a distinctly unfair advantage to the couple).
3. If the infraction is egregious or endangers other dancers, NDCA rules do allow you to penalize the competitors without warning.
4. When in doubt ask yourself, "Does the material being used give the couple a competitive advantage?"

WHEN YOUR SHIFT AS INVIGILATOR IS DONE

1. Sign the Invigilation forms and leave them, complete with infraction notations, for the Chairman, 'Lead Invigilator' or the next Invigilator on duty.
2. If another invigilator is relieving you, tell him/her about the specific infractions. The forms with your notations should be left in the invigilator's area. Just as with judging, sign each form along with your judges' letter/number.

NOTES

- If you do not want to invigilate for any reason, tell the Chairman IMMEDIATELY so you can be replaced.
- At larger competitions, there may be a dedicated invigilator who will need a break or two, but who may be available to help you if necessary. You should take this job as seriously as you take judging.
- Despite what many people think, Invigilators are not the bad guys! The team of a good Invigilator and responsive professionals/teachers will only enhance the positive experience we provide the clients.

PENALTY RULES FROM THE NDCA RULEBOOK

Competitors whose figures are determined by the Invigilator (or Chair of Judges) not to be within the prescribed level shall be warned and penalized as follows:

- (1) Early round violation - A warning from the Chairman of Judges or the Invigilator.
- (2) Subsequent round repeated violation - All recalls or marks for that dance erased.
- (3) Final round violation:

- (a) Where no previous infraction has been made, marked down one place in that dance.
- (b) When a competitor has already been warned and repeats the same infraction in a final round they will be marked down to last place in the dance where the repeated infraction occurred.

Traditional Hold - Partners in Contact or in Close Proximity. Man holding Lady's Right hand in his Left hand (approximately eye level). Man's Right hand on Lady's back. Lady's Left hand on the Man's Right upper-arm or shoulder. This Hold may be danced in any allowable Position (Closed, Promenades and Counter Promenades, Right and Left Outside Partner Positions and 90 Degree Angle). This Hold may vary slightly depending on the dance and Style being performed as well as differences in the partners' height.

Detailed Descriptions of "Positions"

1. **Closed Position** - Facing partner with body contact or slightly apart (close proximity).
2. **Outside Partner** - Facing Partner with body contact or slightly apart (close Proximity) includes Outside Partner on Right and Left side.
3. **Open Facing Position** - Facing partner, approximately at arms' length (able to take a Single or Double Hand or Extended Frame Hold).
4. **Promenade Position** - The couple forms a V shape with the Lady's Left and the Man's Right side close to each other or in contact. The other side is more Open. This is what forms the V shape. Both partners are facing in the same direction and will travel forward. If the couple increases the distance (no more than arms' length) between them they will achieve **Open Promenade Position**. **Fallaway Movements** are the same position as Promenade Position(s) but both partners will be moving backwards.
5. **Counter Promenade Position** - The couple forms a V shape with the Lady's Right and the Man's Left side, close to each other or in contact. The other side is more Open. This is what forms the V shape. Both partners are facing in the same direction. If the couple increases the distance (no more than arms' length) between them they will achieve **Open Counter Promenade Position**.
6. **Inverted Promenade Position** - To achieve this position the couple will start in Promenade Position. The Man will bring his Right side forward and Left side back. The Lady will bring her Left side forward and her Right side back, ending almost back to back and slightly apart, thereby inverting the Promenade Position. Lady will be on the Man's Right side. Man's Left side and Lady's Right side will be farther apart to form a V shape with their body's.
7. **Inverted Counter Promenade Position** - To achieve this position the couple will start in Counter Promenade Position. The Man will bring his Left side forward and Right side back. The Lady will bring her Right side forward and her Left side back, ending almost back to back and slightly apart, thereby inverting the Counter Promenade Position. Lady will be on the Man's Left side. Man's Right side and Lady's Left side will be farther apart to form a V shape with their body's.
8. **Back to Back Position** - The couple is back to back.

9. **Right Side Position** - Lady on Man's Right side, both **facing the same way**. The distance between the partners can vary from close with body contact (hip to hip) to no greater than arms' length.
10. **Left Side Position** - Lady on Man's Left side, both **facing the same way**. The distance between the partners can vary from close with body contact (hip to hip) to no greater than arms' length.
11. **Tandem Position** - **Lady directly in front** of Man, both facing the same way, or **Man directly in front** of both facing the same way.
12. **Right Shadow Position** **Lady in front** on Man's Right side, slightly in advance, both facing the same way.
 - **Right Shadow Behind:** Lady on the Man's Right side, slightly behind both facing the same way.
13. **Left Shadow Position** - **Lady in front** on the Man's Left side, slightly in advance, both facing the same way.
 - **Left Shadow Behind:** Lady on the Man's Left side, slightly behind, both facing the same way
14. **Contra Position** - Lady on the Man's Right or Left side, partners **Facing the Opposite way**. The distance between the partners can vary from close, with body contact (hip to hip), to no greater than arm's length.
15. **Ninety Degree Angle** - Lady at a 90 degree angle to Man on his Left or Right side on an imaginary line several inches in front of him. Couples can be close or up to arm's length in distance (commonly called **Fan Position** when the is to the Man's Left side with a Left to Right Hand Hold).

International notes and restrictions for all dances

General International Latin Notes and Restrictions

1. ****Partners must start in Closed Position or Open Facing Position with Traditional, or Hand Hold. No entrances are allowed. For example, starting the Gold International Style Cha Cha with an allowed side by side amalgamation would constitute an “entrance. NOTE: Traditional Hold in the International Latin allows for a more extended Proximity and Hold with the leaders right and follower’s Left arm.**
2. Posing or Poses prior to taking hold will be considered an entrance.
3. Couples remain in a standing position at all times.
4. Couples dance only figures for the level entered. i.e. Bronze, Silver, Gold but Figures from lower levels can also be used.
5. Make special note that some lower level figures have developments at a higher level. For example, in the Rumba and Cha Cha, the Fan is Bronze, but the Fan Development is Silver. This is noted with an asterisk * beside the figure.
6. Couples must use the dance position hold allowed for the figure and level being danced as noted in the charts below.
7. Positions given in the charts below are with hold unless noted as “no hold” or “ release hold”. When noted as No Hold partners may only release hold for a maximum of two bars before regaining an allowable hold. Figures that are standardized with out hold do not apply of course. Some examples: The Chase, Follow my leader etc.
8. At no time in any of the allowable positions are the couples further away from each other than a comfortable arms length. The only exception is the There and Back in Cha Cha.
9. Couples must use only the acceptable timing listed for the figure and level being danced
10. When a timing in a figure has no weight change that is noted by putting that count in parenthesis. For example, Rumba timing 2,3,4(1)
11. No dips or drops below waist level. No knee drops, sit drops, floor slashes, sitting hens, horse and carts, pot stirrers, or standing spins for man or lady are allowed.
